ENTERPRISE ENDPOINT SECURITY

Protection Accuracy represents the product's ability to detect and stop threats in this test.

SE LABS ® helps advance the effectiveness of computer security through innovative, detailed and intelligence-led testing, run with integrity. We support businesses that are researching, buying and deploying security solutions. We are able to test a wide range of products and services using cutting edge testing methodologies that lead the security testing industry. SE Labs focusses on achieving detailed results, integrity in the testing process, useful threat intelligence and test innovation.
